First Friends Of Dandenong Creek (FFDC) (Association no: A0039273V)
Financial Statement for financial year ending June 2026

FFDC has had another strong financial year with income at **$13,825**. FFDC acquitted a $750 grant from Maroondah City Council which funded our lovely new fluro jackets, A-frames and posters. FFDC received the majority of income ($12,900) from Landcare though the corporate program. This program with Landcare has provided continued significant support for FFDC at a time when grants are becoming less available and more competitive. FFDC expenses were **$2,179,69** with half for event catering.

FFDC continues with a solid financial position. The term deposits ($16,253.65 & $5,103.84) continue to accrue interest. There are no significant projects or outstanding amounts to budget for. The final operating bank account was balance was $18,853.79 (daily account and debit card).

FFDC thanks its grant providing partners this year: Maroondah City Council and Landcare Australia. FFDC also would like to thank the members who provide financial support through membership subscriptions. Subscription rates remain unchanged at $5 for an individual and $10 for family members. Subscriptions are due in September for the annual general meeting. Please deposit directly to FFDC inc BSB 633 000 Account number 168 912 657 and include your family name as the reference.

Chris Macfarlane
